Sensitive personal data may include information relating to sexual orientation, criminal convictions, criminal offences, political contributions and political affiliation.

How we use your personal data

We use the personal data that we collect about Vendor Representatives to facilitate our relationship and communication with the vendor. We also use the personal data that we collect about Vendor Representatives in connection with performance of background checks and carrying out due diligence and payment risk assessments in relation to the vendor. - confirmation of whether we process personal data relating to you and, if so, to request a copy of that personal data;
- that we rectify or update your personal data that is inaccurate, incomplete or outdated;
